El Presidente del Club, Dr. Ramón Crespo y el Presidente de EPYPSA Y RAYMOND HEARN, Sr. Raymond Hearn en el que ofrece un desayuno de presentación.

Primera Reunión Taller para el Desarrollo del Plan Maestro del Club de Golf de Panamá

La empresa, EPYPSA & RAYMOND HEARN, seleccionada para la elaboración del Plan Maestro para el Club de Golf en Panamá estuvo con todo su equipo evaluando, investigando y recabando toda la información pertinente para poder elaborar dicho plan.

La visita realizada "in situ" fue guiada por Directores y socios colaboradores que forman parte del equipo nombrado para servir de contraparte e interlocutores entre la empresa y el Club.

Paralelamente se recabó información estadística de percepción y las opiniones de la mayoría de los socios a través de una encuesta. Esta información será de vital importancia en el momento de las recomendaciones ya que éstas vendrán del consenso de las opiniones de todos los socios que gentilmente contestaron el cuestionario.

Durante varios días, los técnicos de EPYPSA & RAYMOND HEARN, siguieron de cerca a jugadores de diferentes niveles de juego y categorías (damas, caballeros, senior, juveniles) en sus rondas habituales de golf para estudiar su comportamiento y dificultades que la cancha ejerce sobre cada uno de los grupos. Así mismo se evaluaron todas las otras áreas del club, tenis, piscina, talleres, carritos, cocinas, restaurantes, salones etc.

Dentro de muy poco se podrá tener el primer esbozo del tan esperado Plan Maestro del CGP.

El Sr. Hearn acompañado por el Sr. Carlos Sucre haciendo un recorrido por la cancha.

presidente de la comisió golf José de la Guardia.

El Sr. Heras del la empresa, EPYPSA Y RAYMOND HEARN, haciendo uso gráfico de trabajos ejecutados por ellos, y la presentación del equipo que estará a cargo

Mr. Hearn (far left) and Mr. Heras (far right) at the Panama Golf Club celebrating the beginning of the renovation project with the members of the board. CGP Magazine.
